Blog/Weekend Teaching: This Weeks Blog

12 Steps to improving your Worship Service.

Could the worship service where you worship use some improving? The following is an adaptation from Todd Fields.

To admit that one's worship services are in need of improvement is the first step to making needed improvements.

1. Choosing worship songs that are familiar to audience, appropriate, as well as songs that are requested by the audience and easy to learn and teach songs.
2. Worship leaders should be in their comfort zones while new interests should be coached and mentored.
3. There should be a coordination of songs, and teaching for all services. The Pastor should ensure that there is a theme that can easily be identified and embraced. This also must include the audio/visual department.
4. Worship services must connect with the audience both emotionally as well as intellectually.
5. Pastors and other worship leaders should of necessity get together regularly for planning of weekly services.
6. Praise song time does not have to be everlasting to be eternal.
7. Persons on stage, while needing to be gifted, should also possess humility and not without self-control.
8. Introduce unfamiliar songs in a teaching mode from time to time especially those that have doctrinal messages.
9. Communication between those who are leading out is very important for a smooth flow, especially with the sound engineers.
10. Worship leaders should have times of fellowship and recharging.
11. Study the Bible to ascertain worship principals that are relevant and necessary.
12. The biggest room in the world is the room for improvement. Don't assume what is presently being served is suitable to the taste buds of the audience. Always sample your audience. Embrace especially our young people and their desire to serve in the area of music without being judgmental. Coach them with a gentle spirit.

Faith Power Moves Matter:

“6 I removed the burden from their shoulders; their hands were set free from the basket.

7 In your distress you called and I rescued you, I answered you out of a thundercloud; I tested you at the waters of Meribah.” **Psalm 81:6–7**

Fitness Matters

Did you know that there is bad stress and good Stress?

What is the Psychologist name for good stress?

Fundamentals of Education

True education is well defined as the harmonious development of all the faculties – a full and adequate preparation for this life and the future eternal life. It is in the early years in the home and in the formal school work that the mind develops. A pattern of living is established, and character formed. Ed. 7.

Family Togetherness

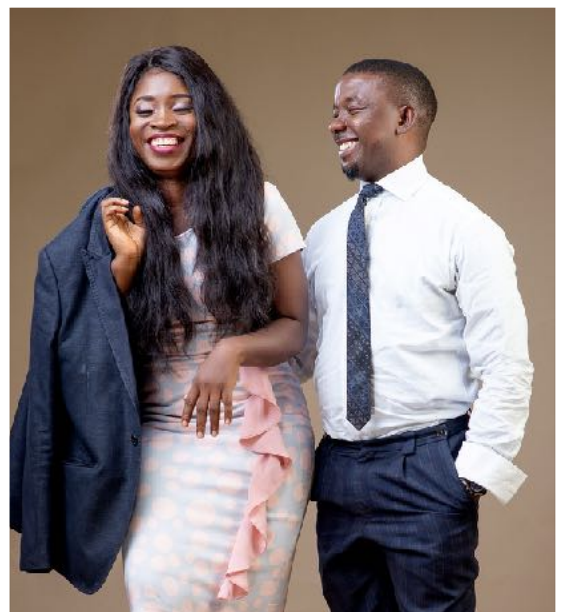

Seven Pillars of a happy home.

Pillar 2

Realistic Expectations Romans 12:10;

“As life with its burden of perplexity and care meets the newly wedded pair, the romance with which imagination often invests marriage disappears. Husbands and wife learn each other’s character as it was impossible to learn it in their previous association. This is a most critical period in their experience. The happiness and usefulness of their whole future life depend upon their taking a right course now.” Adventist Home p 105

Financial Fitness

Most people today do not have a financial plan for their lives. The adage, one who fails to plan, plans to fail. If one is going to achieve growth in the financial areas of life there must be a smarter plan. Don't just think it ink it. The bible says write the vision.

So here goes: Smarter stand for: Be **Specific** with your financial goals, **Measurable**, **Achievable**, **Realistic**, **Time** sensitive, **Educate** yourself of the rudiments of finances, and **Reward** yourself when goals are achieved.

Quote of the Day

"The way you store up treasure in heaven is by investing in getting people there." Rick Warren

Joke of the Day

What did the classmate say when asked why they kept walking next to the same person at school? "I was told I'm supposed to walk by Faith!"

POWERFUL PRAYERS

Lord Increase my faith in your word. Empower me to trust that you will provide all I need today in order to be the person you've called me to be. Amen. PAS

One of the success secrets to a prayer life is to plan your prayer in accordance with God's word first. Second identify what I choose to call prayer bubbles. For example, in the above prayer there are three prayer bubbles. Provide Increase, Empower. "PIE" Provide Increase Empower.

When you think of the word increase what other bible passages come to mind? PIE prayer bubbles will grow your prayer life today if you try it, you will like it.
