"The Taste In Your Mouth"

God's Taste In Your Mouth

In the garden of life, where dreams reside,
Where souls awaken, and hopes collide,
There lies a taste, divine and pure,
Planted by God, an essence to endure.

Like seeds, we are awaiting our fate,
Nurtured by time, we patiently wait,
For that moment when life takes its toll,
And our spirits blossom, infused with soul.

God's taste, a flavor like no other,
Infusing our lives with joy and wonder,
A symphony of sweetness, soft and grand,
Transforming our lives as we understand.

In the mouths of His children, this taste does dwell,
A whisper of heaven, a story to tell,
It ignites our passions, fuels our desires,
Guiding us through life's trials and fires.

With each passing moment, we bloom and grow,
Nourished by God's taste, a divine flow,
From the depths of uncertainty, we now rise,
Unfolding our petals, reaching for the skies.

Through the seasons of life, we find our way,
With God's taste as our compass, come what may,
In the face of darkness, we shine so bright,
For His taste in our mouths is our guiding light.

As we embrace this flavour, in all its grace,
We discover the beauty of God's embrace,
For in the blossoming of our lives we see,
The taste of God's love sets our spirits free.

So let us savour this gift with hearts open wide,
Allowing God's taste to forever reside,
In the depths of our souls, where dreams take flight,
Blossoming lives, in God's taste, shining bright.

FAITH POWER MOVES

Isaiah 41:10,13

¹⁰ So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen and help you and uphold you with my righteous right hand. ¹³ For I am the LORD, your God, who takes hold of your right hand and says, Do not fear; I will help you.

FITNESS MATTERS

The Health Dangers of Eating Margarine

Margarine contains trans-fat, which raises LDL (bad) cholesterol, lowers HDL (good) cholesterol and makes blood platelets stickier, increasing heart disease risk. Margarine containing hydrogenated or partially hydrogenated oils contains Trans fats and should be avoided.

Financial Fitness

Emergency Fund

Do you have an established emergency fund? Life is full of unexpected events, such as job loss, medical emergencies, or car repairs, and having an emergency fund can provide a safety net in these situations. Aim to save at least three to six months' living expenses in an easily accessible account. This fund can help cover essential expenses during challenging times without relying on credit cards or loans, which can lead to debt. By prioritizing emergency savings, you can have peace of mind knowing that you are financially prepared for unexpected circumstances.

Proverbs 27:23-24 - "Be sure you know the condition of your flocks. Give careful attention to your herds, for riches do not endure forever, and a crown is not secure for all generations."

NB. Earning 10 % interest on your funds today is as easy as 1,2,3. For details, please email us today at theblossomingplace@gmail.com
