Blog Updates

Check out our latest blog posts with inspiring and informative content to guide your growth journey.

On December 1st, here at the Blossoming Place Life Coaching Academy, we began the Renew Prayer Journey. What a journey it has been. We conclude this Sunday, December 10th.

The journey has inspired me to have a more committed prayer life and a closer walk with God. Out of this experience, two additional goals have been born: the first is to do a devotional on the book of Nehemiah and the second is to offer an online course on leadership lessons from Nehemiah. If you have not yet ordered your book *10 Prayers of Faith for Tough Times: Examining Nehemiah's Winning Strategies*, may I invite you to do so? Join us especially for our last few mornings on the December 8-10, at 6:00 a.m. We are live on the Blossoming Place YouTube channel.

FAITH POWER MOVES

Explore the power of faith with today's 'Faith Power Move'. This power move will inspire and invigorate your spiritual journey. Here is one of the shortest prayers in the bible that is powerful in context and impact.

“Remember me.” These are just two words, yet they are vital in the Christian's journey. Nehemiah's prayer chain defines the eighth prayer in Nehemiah 13:14. Nehemiah asks God to remember him according to what he had done to his people. When working for God under God's instructions, asking God to remember you is OK. God carefully observes every act of man that aligns with His will and will reward you accordingly. It's always nice to be remembered for authentic work done in the name of God. God promises that he will reward openly if it is done from the right point of view. What do you want God to remember you for at the end of your life's journey?

FITNESS MATTERS

Your body is your temple. Our health and fitness updates provide effective workout routines, healthy recipes, and tips to maintain a balanced lifestyle.

Eye exams aren't just about vision. They're about your health.

Your eyes are windows to the live action of blood vessels, nerves, and connective tissues throughout your body. Problems spotted in the eye are often the first signs of disease lurking elsewhere. For 2024: Year of the Eye, there are many surprising conditions your eye doctor may detect during a comprehensive eye exam, which are high blood pressure, aneurysms, brain tumours, cancer, diabetes, heart disease, high cholesterol, lupus and much more. Get dilated and discover early detection of any health issues before it is too late.

FUNDAMENTALS of Education

Learning Styles Quiz

Understanding the principles that guide Adventist Christian Education is critical for spiritual growth. Dive deeply into these fundamentals in our latest update.

I firmly believe that Adventist Education is designed to train every child according to the taste God placed in his/her mouth. Each parent and sponsor of a child in Adventist schools should challenge the administration to do just that. This is the ideal level of Christian education. Once this is done, not one child will be found wanting.

Family Togetherness

Strengthen your family bonds with our guidelines on Family Togetherness. Discover activities, shared goals, and traditions that foster love and unity.

Parents' greatest work on earth is to guide and coach their children to obedience and respect according to the instructions of God's word. Oh, to be wise! This Christmas season, make family a big thing and grow your love for each other.

Financial Fitness

Learn effective money management, saving, and investment tips to secure financial health. It's time to take control of your financial future. It is more blessed to give than to receive. Receivers always give. If your hands are engaged only in clinching your fist, you remove the capacity to receive greater blessings. The opening provides the risk of the departure of funds but also makes it possible to receive greater funding.

Joke of the Day

Laughter refreshes the soul. Enjoy our Christian “Joke-of-the-day” and share the joy with others. An atheist is on a plane and realises he is sitting next to a Pastor. He is quietly reading his Bible when the atheist turns to him and asks, “Do you believe all that stuff in there?” She looks up at him and replies, “Yes.” The atheist furrows his brow and says, “C'mon, everything? There's gotta be something in there you're fuzzy about. What about that story about the guy who got eaten by the whale and spit back out again? That can't be real. He had to have made that up. I mean, how can that happen?” The nun calmly replied, “Well, when I get to Heaven, I can ask Jonah.” The atheist retorted, “What if he's not up there?” The Pastor returned to her Bible and replied, “Then you can ask him.”

Powerful

Draw strength and peace from our selection of powerful Bible prayers. Let them guide your prayer sessions.

Nehemiah 4:4-5

“Hear, O our God: for we are despised: and turn their reproach upon their head, and give them for a prey in the land of captivity. And cover not their iniquity, and let not their sin be blotted out from before thee: for they have provoked thee to anger before the builders”.
