Power of Healing: Jeremiah 17:14

"Heal me, O Lord, and I shall be healed; save me, and I shall be saved, for you are my praise." (Jeremiah 17:14)

"Prayers for healing are a testimony of faith, trust, and reliance on God's love and compassion. They are deeply ingrained in the Christian spiritual life, offering hope, support, and comfort in times of pain or distress." — Author unknown.

Fitness Matters

Your body is your temple. Our health and fitness updates provide effective workout routines, healthy recipes, and tips to maintain a balanced lifestyle.

Modeling Nutrition for the Family:

"Children look to their parents or caregivers for guidance on all sorts of things. If you are trying to encourage them to eat healthfully but are choosing highly processed foods for yourself, there is a disconnect between what you say and what you do — and your child will notice. Instead, try to model nutritious eating for the whole family.

When you cook dinner, get everyone involved for a fun routine. Even young children can help wash produce or sprinkle seasoning. If convenience is a concern, consider using a healthy meal preparation service that delivers ingredients and recipes to your doorstep each week.

At mealtime, turn off the TV and leave mobile devices in another room to diminish distractions. Not only will your family be more mindful of how much they are eating and when they feel full, but you'll probably also find that conversations are more engaging when everyone is present." — [Adventist Health](#)
